9iled: 12 October 2001

Examiner: To Be Assigned

Docket. No.: P66822US0 (WRAIR 98-40/46)

For:

MICROFLUIDIZED LEISHMANIA LYSATE AND METHODS OF MAKING AND

USING THEREOF

INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents Washington, D.C. 20231

Dear Sir:

Listed on the accompanying Form PTO-1449 are documents that may be considered material to the examination of this application, in compliance with the duty of disclosure requirements of 37 C.F.R. § 1.56, 1.97 and 1.98. Copies of references 1, 2, and AA-AR are enclosed. Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This statement should not be construed as a representation that an exhaustive search has been made, or that there does not exist information more material to the examination of the present patent application. The Examiner is specifically requested not to rely solely on the material submitted herewith. It is further understood that the Examiner will review art of record in all 35 U.S.C. § 120 priority documents.

1. This Information Disclosure Statement is being filed within three months of the U.S. filing date or before the mailing date of a first Office Action on the merits. No certification or fee is required.

	2.	The Information Disclosure Statement is being filed more than three months after									
the U	S. filing	g date and after the mailing date of the first Office Action on the merits, but before									
		ate of a Final Rejection or Notice of Allowance.									
		a. I hereby certify that each item of information contained in this Information									
	Disclo	sure Statement was cited in a communication from a foreign patent office in a									
	counterpart foreign application not more than three months prior to the filing of this										
		nation Disclosure Statement. 37 C.F.R. § 1.97(e)(1).									
		b. I hereby certify that no item of information in this Information Disclosure									
	Statem	ent was cited in a communication from a foreign patent office in a counterpart									
-		application or, to my knowledge after making reasonable inquiry, was known to									
		lividual designated in 37 C.F.R. § 1.56 (c) more than three months prior to the									
		of this Information Disclosure Statement. 37 C.F.R. § 1.97(e)(2).									
		c. Attached is our check no in the amount of \$ in payment of the									
	fee und	ler 37 C.F.R. § 1.17(p).									
	3.	This Information Disclosure Statement is being filed more than three months after									
the U.	S. filing	date and after the mailing date of a Final Rejection or Notice of Allowance, but									
before	paymen	t of the Issue Fee. Applicants hereby petition that the Information Disclosure									
Statem	ent be c	onsidered. Attached is our check no in the amount of \$130.00 in									
payme	nt of the	fee under 37 C.F.R. § 1.17(i)(1).									
•		a. I hereby certify that each item of information contained in this Information									
•	Disclos	ure Statement was cited in a communication from a foreign patent office in a									
	counter	part foreign application not more than three months prior to the filing of this									
	Informa	ation Disclosure Statement. 37 C.F.R. § 1.97(e)(1).									
		b. I hereby certify that no item of information on this Information Disclosure									
	Statem	ent was cited in a communication from a foreign patent office in a counterpart
